It seems fine to me, but I have a few questions.

1. What will it say on the State Fishing License and Website?
2. What kind of signage will be posted around the Lake?
3. Is access to the Lake fenced off or does this need to be done?
4. Is there an enforcement process in place?

Subject: Press Release Draft

Good afternoon,

I've attached the first draft of the Devil's Swamp advisory. Please send me any edits in a track changed document so I can merge the changes correctly.

I specifically need responses (even if it's just an "OK") from Greg, Keith, Ashley, Bill and Bart. Feel free to loop in anyone else who needs to comment. Once I hear back from everyone, we will schedule a time to do a simultaneous release after I make all the changes and redistribute.

Thank you,

John Ford
